4. As you follow the road around to the left you get views across the valley to Dore Village on the hill. Take the marked track on your right down some steep steps into the valley. Go straight along this path over two bridges past a large house on your right and straight up the field on the other side of the valley.

6. After about ½ mile take the path on your right steeply down to the stream and across some stepping stones. Continue up the steep path through the woods.
7. At the top of this path you come out of the woods and reach a junction of many paths with two benches. Turn left on the far side of the wall onto a stony track which drops down steeply.
8. At the bottom of this track you exit onto a small car park. Turn right and take the track between two walls up the hill.
9. At the top of this track you join the top of Moss Road. Turn right onto Moss Road and walk back down to Bank View Farm at the bottom of the hill.
